Aaron: Please see the attached draft CERCLA comfort letter regarding the Tank Car Corporation of America Property located in Springfield Township, Montgomery County, Pennsylvania. EPA typically sends the draft comfort letter to the requestor for review to insure that the draft letter meets the needs of the requestor. Also attached to this message is the enclosure for the letter, the EPA Common Elements Guidance document. Please review the draft comfort letter and kindly respond back to me or Andy Goldman with any questions or concerns. I appreciate your patience in this matter and look forwards to receiving your response. Best regards.

Chris,

Just wanted to follow up on the status of this. When do you anticipate the comfort letter will be completed?

Thanks,
Aaron
